B. Submitting Comments

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* 10 CFR Part 50, "Domestic Licensing of Production and Utilization Facilities."

2. *OMB approval number:* 3150-0011.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* Not applicable.

5. *How often the collection is required or requested:* As necessary in order for the NRC to meet its responsibilities to conduct a detailed review of applications for licenses and amendments thereto to construct and operate nuclear power plants, preliminary or final design approvals, design certifications, research and test facilities, reprocessing plants and other utilization and production facilities, licensed pursuant to the Atomic Energy Act of 1954, as amended (the Act) and to monitor their activities. Reports are submitted daily, monthly, quarterly, annually, semi-annually, and on occasion.

6. *Who will be required or asked to respond:* Licensees and applicants for nuclear power plants and research and test facilities.

7. *The estimated number of annual responses:* 43,621 (43,471 reporting responses +149 recordkeepers + 1 third-party disclosure response).

8. *The estimated number of annual respondents:* 149.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 3.7M hours (1.1M hours reporting + 2.6M hours recordkeeping +100 hours third-party disclosure).

10. *Abstract:* Part 50 of title 10 of the *Code of Federal Regulations* (10 CFR), "Domestic Licensing of Production and Utilization Facilities," specifies technical information and data to be provided to the NRC or maintained by applicants and licensees so that the NRC may take determinations necessary to protect the health and safety of the public, in accordance with the Atomic Energy Act of 1954, as amended. The reporting and recordkeeping requirements contained in 10 CFR part 50 are mandatory for the affected licensees and applicants.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 12th day of October, 2017.

For the Nuclear Regulatory Commission.

David Cullison,

NRC Clearance Officer,

Office of the Chief Information Officer.
